

ART ANSWERS THE QUESTIONS OF OUR LIVES!

FILIPPO BRUNELLESCHI
Duomo, Florence

ALEXANDER CALDER
Snowflakes

DUANE HANSON
Tourists

The speakers—a painter, an architect, and a sculptor, all Terrain Gallery coordinators—show the thrilling practicality of art for people’s lives today. Eli Siegel, critic, poet, and founder of Aesthetic Realism, described it in this landmark principle:

“All beauty is a making one of opposites, and the making one of opposites is what we are going after in ourselves.”

MARCIA RACKOW

Painter, Aesthetic Realism consultant,
teacher of *The Visual Arts & the Opposites* class

on **ALEXANDER CALDER**

DALE LAURIN
